ANOTHER STAKE FOR FIZER

HIS AL MULLER RUNS AWAY WITH THE CRESCENT CITY STAKES.

Zípango Outstays Temaceo in a Close Finish -Agile Defeats Flavigny-Mountain's Excellent Riding.

New Orleans, I.a., December 14.—W. H. Fizer added another stake to his list of conquests when Al Muller led a good band of two-year-oid sprinters around the ovai in the feature of the day. Al Muller was much at home in the going and never gave his backers any cause for alarm, winning as nis rider pleased from the fast Texas sprinter. Ray Thompson. The latter ran a sparkling race under his heavy impost and is worthy of consideration in any company he may meet in future sprints. The disappointments of the race proved to be Angeius and Marbles, the added starter, on which the east-erners centered their hopes. The former, for a short period, gave promise of fighting out the issue with the Fizer youngster, but after rounding the stretch turn he tired fast and allowed Gee Whiz to pass him for third place.

The tabulated history of the Crescent City Stakes is as follows:

he clearly outfinished Notter on Temaceo, was loudly applauded. Temaceo-was well meant today and showed improvement over his previous efforts here.

Dr. McCluer's easy victory under Mountain's splendid ride, will not help jockey Warren's cause very much. Warren rode him in his last start when he was the favorite in the race and failed to finish in the money. Mountain had to restrain him toaday to keep from distancing the others.

In the opening race Mountain was astride Brown Thistle and led all the way. The poor showing of Bellwether, the 2 to 5 favorite which finished second, was disappointing.

Agile, under a change of riders from W. Walsh to James Hennessy, improved decidedly and cantered away from the favorite, Flavigny, in the last race of the day.

Higginbotham's victory in the fifth race enabled Albert Simons to break into the ranks of winning owners. Avanuteer was favorite in this race, but suffered from much interference and failed to finish better than third. S. Louis claimed him after the race for \$1,400.

Pride of Woodstock and Miss Ferris were excused from starting by the order of the judges. Both horses were suffering from a slight fever.

Jockey C. Koerner, who rode Charlatan in the second race, was caught in a jam soon after the start and brushed off. He escaped injury.

Former jockey George Odom is trying to secure the release of jockey C. Henry and has offered James McLaughlin, Sr., \$1,000 for his contract on the youngster.

The steeplechase brigade sent a round robin to the officials of the Crescent City Jockey Club petitioning that association to put on some hurdle races. They will make a similar request of the City Park management that they feature a steeplechase daily during the race meeting at that track.

There are quartered at City Park about 130 horses which are being schooled to jump.

Frank Lanterman arrived today from Chiengo, V. Hollar and L. Carson were arrivals from New York. Captain Hardbottle, secretary of the Toronto Hunt Club, was among today's visitors. He will remain lere

GOSSIP OF THE KENTUCKY FARMS.

Lexington, Ky.. December 14.—The three mares Jack McGinnis will breed next season to Frank Gill are Aviston, inspiration and Coy Maid, the former two being English-bred daughters of the Derby winner. Ayrshire. H. M. Ziegler will also breed two mares to him. Two more mares to be bred to him are Philistia, the dam of Phil Finch and Tarpeia II., the dam of John Peters, both owned by E. R. Bradley. The latter regards these mares so highly that last spring he paid the enormous stud fee for the services of Rock Sand for Philistia and the French horse Adam for Tarpeia II. He was lucky in this respect to get both mares in foal. The latter's 1906 production was a yearling chestnut filly by Ornus.

ADAM'S OWNERS VISIT HIS HOME.

Lexington, Ky., December 14.—Andrew Miller, Frank C. Bishop and Thomas Welsh, owners of the Millstream Stud and the Newcastle Stable, arrived from New York tonight to inspect the stallions Adam and Handspring and the royally bred band of mares at Millstream Farm.

E R. Bradley, who has been spending a fortnight or so at his Idle Hour Farm, left tonight for Chicago, from where he will go next week to New Orleans and thence to Palm Beach, Fla., for the winter.

William Phillips, trainer of the stable of Fred Cook, is here from his farm near Shelbyville to see J. C. Milam and others relative to the purchase of a small string of horses for a friend in Missouri, who expects to race at Denver and other western tracks next year. Belle Scott is among the horses he has priced.

H. P. WHITNEY'S BURGOMASTER, BR. C, 4, BY HAMBURG-HURLY BURLY.

H. P. WHITNEY'S BURGOMASTER, BR.

A very great race horse was Hamburg's crack son, Burgomaster. There is hardly a doubt that he would have completely dominated the eastern racing situation in 1906 had he remained sound. His early retirement that year gave Accountant a clear field in a succession of rich stakes, all of which he would have won and more besides. He was a brown colt of commanding appearance, great speed and staying powers up to any weight. As a two-year-old Burgomaster ran seven races, won five and was twice unplaced. He began his racing career at Gravesend. Thursday, June 1, 1905, in a five furlongs purse for maidens, and was not placed, Inquisitor winning with Transmute second and Cary third. Two days later he showed the benefit of the education received in his first race by coming in first by six lengths in the rich Great American Stakes at five furlongs, run in 1:01. Bohemian was second, Jerry Wernberg third and Woolwich, Vendor, Quorum and Samson ran unplaced. His next start was for the Great Trial Stakes at Sheepshead Bay, June 24.

This race was run over a muddy track and, at the finish of a fierce drive, Security won its \$19,550 of first money by a head, with Timber, George C. Bennett, Belmere and Burgomaster was giving five pounds each to Security, Timber and George C. Bennett, and twelve

pounds to Belmere. After this reverse he was never bea'en and proved himself incontestibly the best colt of the year. July 31 he won the Flash Stakes at Saratoga by three lengths, with 125 pounds up. beating Gallavant, 122; Vendor, 125; Velours, 117; Mohawk II., 117; The Irishman, 117; Don Diego, 125, and Penrhyn, 122, running the five and one-half furlongs in 1:08\(^2\), At the same track, August 19, he won the United States Hotel Stakes, three-quarters, in 1:12\(^3\), with 127 pounds up. easily defeating Pegasus, Ormondale, Bellsnicker, Oyama, McKittredge and Samson.

At Sheepshead Bay, September 9, he took up 1:30 pounds, running the last three-quarters of the Futurity course in 1:12\(^3\), won cantering from Whimsical, 121; Juggler, 115; Jacobite, 119; Bill Phillips, 107; Filp Flap, 111; Ravena, 105; Vendor, 122; Fine Cloth, 103; Accountant, 118; Sidney F. 108, and Clark Griffith, 110. His last race as a two-year-old was in the colts' half of the Matron Stakes at Belmont Park, which he won pulled up in 1:12\(^4\), defeating Penrhyn, Battleaxe and Ethelred with ridiculous ease.

The record of his running for two years is as follows:

KILTER RUNS A SURPRISING MILE, WHY C. E. DURNELL WAS DISCIPLINED. Sets a New Track Record and Easily Defeats Mark Antony II.

Mark Antony II.

Los Angeles, CaI., December 14.—The growing popularity of Santa Anita Park with Los Angeles racing enthusiasis was attested today by a crowd equal in proportion with that of the opening day, Many new faces were noticed in the large gathering, the attendance of the fair sex being by far the most pronounced of the fair sex being by far the most pronounced of the week.

The feature event of the day was the Vernon Selling Stakes, a dash of one mile for two-year-olds and over, only two of the original twelve carded to start dodging the issue. Mark Antony II., on the prestige of his opening day's victory, was regarded by the talent as an almost certainty, but ran one of his poor races, third being the best he could do. The winner turned up in Frank Regan's Kilter, which has run consistently since the meeting began, although Regan thought so little of his chances that he allowed the colt to go to the post unsupported.

R. F. Carman scored with Lackfoot in the third race, sending a big commission into the riag and getting on at 6 to 5.

George Rose, the reigning spirit at Santa Anita Park, finally gave vent to his inclination to draw in and was among the fourteen bookmakers that put in their slates. R. C. "Cad" Doggett, the well-known New York clubhouse commissioner, was also an eed have no fear of not getting all their heavy commissions on.

TAMPA RACING AN EXPERIMENT.

TAMPA RACING AN EXPERIMENT.

New Orleans, La., December 14.—The Tampa, Fla., venture seems certain to be tried on the half-mile track of that city and the present intention is to begin the meeting February 5, and race for lifteen days or more, if there is any patronage to warrant more. The purses are to be \$150 and \$200 with five races daily and the horses are to come from New Orleans.

The chances are that Tampa's game will attract quite a few horses from the Louisiana merry-goround if the latter is running at that time. Though there are a good many tourists in Tampa and the towns around Tampa Bay in February, they are hardly racing folks and the meeting is a good deal of an experiment. It will cost a good deal to get horses to Tampa from New Orleans.

The meeting is to be held in conjunction with the State Fair of Florida. Harry White, superintendent; E. D. Lawrence, manager and secretary; Charles Campau, clerk of scales, and James Melton, one of Mars Cassidy's assistant starters, will be the officials.

IMPROVING THE HALF-MILE TRACK.

New Orleans, La., December 14.—William Rabb, general manager of the Louisiana Driving and Racing Club, has announced that the track will remain open all winter and racing conducted there until spring. He is contemplating making a number of improvements in the grandstand, the most important being the installation of a heating apparatus. Several new books have gone on in the last few days and it is reported that all of the books in the ring have been heavy losers for the past few days. They are paying \$10 a race, or \$50 for the five races run each day.

Action the Outcome of An Accumulation of Offensive Occurrences.

New York, December 14.—It can be said in connection with the case of "Boots" Durnell that the Jockey Club took long-considered action that is likely to be final. The following stewards were present at the meeting which decided the case: August Belmont, James R. Keene, F. K. Sturgis, J. H. Bradford, H. K. Knapp and Andrew Miller. The published matter about the reasons for Durnell's punishment are far wide of the mark. It is absurd that he should have come under the Jockey Club's ban for talking to Dugan, his employee before a certain or any race, whether Dugan rode the winner or the loser of it. The action against Durnell was because he had been found guilty of many offenses against the good of the turf, as considered by the Jockey Club. Plenty of evidence in the case has been collected from many sources. Only Durnell, and not John W. Gates or any individual, was tried and disciplined. Durnell has been a troublesome factor in racing for several seasons. He gambled too much, quarrelled publicly too much and worked out too many of his woes in too noisy a way. There is no question but that the Jockey Club has "the goods" on Durnell and the Holckey Club has "the goods" on Durnell and that the eastern and California turf will within a few days be closed to him. Durnell will thus pay the penalty of a good many able men in a good many fertile fields who have overreached themselves.

EARLY TIDE'S STAKE RACE

DEFEATS GENE RUSSELL FOR PACIFIC-UNION HANDICAP AT OAKLAND.

Peter Sterling Fails Dismally - Corrigan Scores Again-Durnell's Entries

Allowed to Start.

Oakland, Cal., December 14.—A high-class card was run off at Oakland today. It included two important features, the Pacifac-Union Handicap for two-year-olds at one mile and the Lafayette Handicap for three-year-olds and over at one mile and a sixteenth, which were won respectively by Early Tide and Rubric. U. Z. De Arman's fast Peep o'Day youngster had been sent up especially from Los Angeles to win today's fixture, and arrived less than twenty-four hours before it was to be decided. The condensed history of the Pacific-Union Handicap is as follows:

Walter Miller, with three splendidly achieved victories, one second and two unplaced, was again conspicuous for his saddle work. But for meeting about all the bad luck that could come to him on Gene Russell, which was only beaten a head in the big race, he would have scored four straights. Aside from the racing itself the question as to whether C. E. Durnell would be allowed to start his two stake entries. DURYEA'S COMING TWO-YEAR-OLDS.

New York, December 14.—Simon Healey has taken charge of the Herman B. Duryea Stable in the absence of John Huggins, who has left for Texas, where he will spend the holidays on his ranch in the Lone Star State. In the stable are Texas, where he will spend the holidays on his ranch in the Lone Star State. In the stable are six old horses, namely, Running Water, Bedouin, Dreamer, Ben Ban, Whip. Top and Marathon, besides a splendid-looking band of fifteen yearlings, embracing three whole coits. four geldings and eight fillies. The best of them is undoubtedly the Griffon—Pillowdex gelding, which was named Strike Out shortly after Mr. Duryea purchased him from Fred Burlew last summer for \$15.000. Strike Out has been named for the Annual Champion and Tidal Stakes of two years hence and many other stakes. Another coit, by Diamond Jubilee—Tectorum II., is the unnamed half-brother to Whip Top and a bay of fine proportions, which has been named for the Lawrence Realization and Annual Champion. The pedigrees of the other thirteen youngsters which are destined to carry the Duryea colors in the juvenile races next spring are as follows:

MAGNATES IN SECRET CONFERENCE.

A secret conference between Louis A. Cella, Joseph L. Rhinock and Jerome Respess, together with Judge L. H. Bond of St. Louis, took place at Cincinnati Thursday and despite the fact that the purpose of the meeting was not disclosed, it is more than probable that important developments may follow. One Cincinnati report had it that. Rhinock was about to sell his City Park and Louisville holdings to Cella. This may or may not be true. At any rate, such men of prominence in turf matters do not travel long distances to meet for social discourse. One transaction reported was to the effect that Cella had taken from Rome Respess his Essex Park, Hot Springs, bonds.

Congressman Joseph L. Rhinock of Kentucky, a steward of the American Turf Association, and large holder of stock in racing plants conducted under the rules of that organization, arrived in Chicago yesterday morning from Cincinnati on a business trip. Mr. Rhinock came here suffering with a severe cold, and, consulting a physician, learned he was liable to an attack of la grippe and was ordered to remain in his rooms at the Auditorium Anñex. Mr. Rhinock said he was in Chicago on matters of private business and did not know anything new concerning matters of the ture.

M'CORMICK'S NEW ORLEANS STABLE.

New Orleans, La., December 13 .- Frank Brown's Keator, which ran second to Pinkola in the Inaugural Handicap, at the opening of the reconstructed Grounds, and which, in the opinion of the turf critics as well as that of the horsemen, should have won, is apparently getting back to the good form that he showed here last winter. Then he belonged to James McCormick, was practically unbeatable, and was the best bread-winner in McCormick's high-class outfit. When McCormick went east in the spring Keator won two or three races, and then Brown secured possession of him through the selling race route. He was off all summer and only began to round to at the eastern fall meet-

Before the close of the last local winter season McCormick lost another of his quintette of good ones in Emergency, which passed out of his hands, taken from him in a selling race. Of his good campaigners here, McCormick has still remaining Glorifier, Tileing and Monet. The latter is the horse that last winter ran into the fence while at exercise and, just as he was getting good, injured himself so severely that he had to be laid up for a long period. These three speedy ones were given a long rest through the summer. They were well onditioned before shipment here and are now just about ready to go to the races.

McCormick has one of the strongest stables here in numbers, and some of the eastern trainers say He has quite a number yearlings that he will break and train here. He was buying desirable material all season long pre paratory to the New Orleans winter campaign, and has a stable at City Park of close to thirty all told. The handler of Hermis and other highclass horses of former days, has always been lucky

here. He was one of the two or three most successful owners at the local tracks last winter. a conditioner and trainer of horses, and as a manager, he has but few equals in the country and perhaps no superior.

In the years gone by McCormick could have held many a fat berth as trainer for some of the wealthy turfmen of the east, but with one or two exceptions he has always preferred to own and train his own racers, and that he has made a financial success of it is shown in the fact that he is very likely the richest trainer in America today. would be difficult to estimate exactly what Mc-Cormick is worth. He owns a lot of real estate in Cincinnati, as well as in New York, and a gues of a half million dollars would not be far out of the

McCormick's eastern season last summer was not marked by brilliant achievements. His stable was not in form and his last victory was credited to him on June 22. To attach a few of the local stakes and purses, therefore, would no doubt be acceptable to him at this time.

William Cowan, who was one of the leading book-makers on the eastern tracks last season, writes friends at Oakland that he will leave New York after the holidays for Oakland and will book at that track during the rest of the winter.

E. J. Ramsey has sent Horatius to his California breeding ranch for duty in the stud. Ramsey thought earlier in the fall that the horse would stand training, but Horatius hopelessly broke down in a morning work at the Oakland track a few days ago.

C. T. Boots, one of the largest breeders in California and owner of the Elmwood Stock Farm, will have twenty-eight horses racing in his colors at Santa Anita Park this winter and a number of them are entered in some of the stakes to be run during the meeting.

Jockey Tommy Burns, who rode in France and Germany during the past season, says he can make 105 pounds and is thinking of going to New Orleans to ride during the winter. He has not decided whether he will go abroad again next year or not.

Trainer Frank M. Taylor says that Charles Edward has taken on more than 150 pounds since he last appeared under colors and New York race-goers will not know him next spring. Taylor thinks the horse will be one of the handsomest four-year-olds in training next year.

Went to post at 2:23. At post 1 minute. Start good. Won easily; second and third driving. Dr. McCluer, showing suddenly improved form and suffering from much interference in the early stages, closed a big gap in the first three-quarters and, coming fast on the last turn, drew into a long lead in the stretch and won eased up to a canter. Ivanhoe came from a long way back in the last half and finished gamely. Fonsoluca ran well throughout and had no mishaps. Tinker tired in the stretch run. Grenade closed a big gap and finished fast. Prince Fortunatus showed superior early speed and ran a good three-quarters before tiring. Tern's Rod showed speed and would have been a sharp factor with good riding, but Hufnagel barely retained his seat in the saddle. Charlatan was caught in a jam and fell soon after the start. The winner was entered for \$700; no bid.

Went to post at 2:47. At post 1 minute. Start good. Won driving; second and third the same.

Zipango, running to his best form and well ridden, set a stiff pace from the start, but was headed after going three-quarters and appeared beaten, then stood the final drive gamely and wore down Temaceo in the last seventy yards. Temaceo, showing sudden improvement, moved up steadily from a slow beginning and, wearing down Zipango in the stretch, seemed a certain winner, but tired in the closing drive. Lord Stanhope was best of the others and ran fairly well.

Ray Thompson put up a good performance under his heavy impost and is a good sprinter. Gee Whiz closed a big gap and finished with a rush. Angelus, away in a tangle, had to be hard ridden in the early stages to get into contention and tired after going a half. Marbles quit badly in the stretch. Dew of Dawn was gaining fast at the end.
